Club Trip/Event Policies

Visit the Club website for details of safety and other important policies.

Contacting trip/event organiser

You must notify the trip organiser in advance of your intention to go on a trip. Organisers need to know numbers and to be able to contact you if the plan changes.

You must also discuss with the organiser in advance any medical or other conditions (such as your experience and ability) that might affect the progress of the group.

Cancellation

If the weather looks uncertain call the trip leader. The Newstalk ZB Cancellation Service is no longer being used.

Editorial

This issue of our newsletter is mainly dealing with matters from the Annual General Meeting. Reports are highlighting activities from the past twelve months. The club is in good shape and looking forward to the next year.

The very popular Winter Lecture Series is kicking off this month. A good opportunity to socialise off the water, and to bring along your friends.

A big thank you to all who supported Team Auckland Canoe Club who successfully completed the Oxfam Trailwalk and with your donations achieved their fundraising target.

Regular Events

Vine House – Last Weekend of Every Month

On the last weekend of each month we have the use of Vine House.

This gem in Mahurangi Harbour is a 2 km paddle from Sullivans Bay, which is the ARC park at the end of the Mahurangi West Road, first on the right past Puhoi.

The house sleeps 10 and has all creature comforts. Bring sleeping bag, pillow case and food. A shared meal and nibbles is the norm for Saturday night, so bring your goodies.

Lagoon Bay is very tidal, so bringing a kayak trolley is a good idea. The range of paddling is endless, eg Waiwera, Warkworth, Kawau Island, Motuora Island – your choice. Or just rest and read and enjoy this tranquil and special place. We recommend you take a carry bag to get all your gear up the track to the house. Secure parking is at Sullivans Bay. Leave a note on your dashboard reading “Vine House Volunteer” when you park in front of the ranger’s house.

Please ring to book a bed, and for detailed directions. **Trevor 817-7357, Matt 817-1984.**

Tuesday Evening Paddles

A small group of informal paddlers usually meets at the Okahu Bay ramp at about 5:30pm on Tuesday nights.

Saturday Morning Paddles

If you are into good coffee, good company and usually a leisurely paddle then these are the trips for you.

A small but growing group meet about 9:00am on Saturday mornings to paddle to one of the beaches – St Heliers, Kohimarama or Mission Bay for coffee.

President's Report

Dear All,

Thank you all who attended the AGM. As you will see in the Minutes and the Reports published in this Newsletter the Club had another successful year.

We have some new fresh faces on the Committee whom I am sure will bring new ideas, but of course that means that we also have to say farewell (maybe temporarily) to some old faces. We wish them well and tank them sincerely for their great work.

This month we had the opportunity to support the Safety Authorities at the Discover Boating section of the Hutchwilco Boat Show.

My sincere thanks goes to the Club members who so willingly gave up their time to demonstrate kayak rolling and re-entries – John Maynard; Lester Miller and Neil Scott; Sue and Steve Levett.

Neil and Lester.

Sue and Steve.

And apologies to John as I did not get a photo of you rolling!

Happy Paddling,

Ian

The Winter Lecture Series 2008

The Hauraki Gulf and Beyond – Wednesday 18th June

Philip and Sue Noble will lead off this year's series with a compilation of stories and scenes from the many happy voyages they have organised and lead. As trips officer Philip was instrumental in introducing many of our newer (and not so new) members to exciting places out beyond Browns Island. There were coastal campsites on the Coromandel, weekend hideaways at the far end of Waiheke and pleasant picnic paddles to places not so far away. Also in the show will be vistas from Philip and Sue's recent visit to the Marlborough Sounds and the Able Tasman area. Philip has also agreed to show us some vignettes of his early exploits which include paddling on the Colorado River in the Grand Canyon and possibly some archive footage from the old homeland in Africa.

The Winter Lecture series is open to everyone, so feel free to bring along a friend. It is also an ideal evening to catch up with club mates and provides a good opportunity for newer members to meld in with a friendly club.

**Meet at the Marine Rescue Centre on Tamaki Drive at 7.00 pm for a 7.30 start.
A \$2 door charge covers your supper and helps with a gift for our guest.**

The Winter Lecture Series will run over consecutive months from June through to September.

For more information phone Roger Lomas on 846 6799.

President's Annual Report

Again the Auckland Canoe Club has had a very successful year. We continue to see a change in the demographics of our membership with the family membership continuing to increase and with that, the number of young members.

This is a good sign as these young people are our future adult members.

The Committee has worked hard this year on your behalf and it is my belief that each and every one of them deserves a sincere vote of thanks from the membership at large.

I can illustrate this by giving you a brief summary of the content of the Newsletters – a window into the activities of the Club.

Articles	Trips	Regular trips	Lectures	
June	3	6	9	Vietnam
July	1	6	11	Farewell Spit
August	2	4	9	Danube
September	5	6	10	Fiordland
October	1	5	10	
November	3	6	9	
December	8	8	10	
February	4	6	9	
March	3	7	10	
April	5	5	10	
May	4	6	9	

The number of articles in each newsletter ranges from 1 to 8, the regular trips were 9 or 10 each month depending on the number of weekends in the month, whilst the ad hoc trips ranged from 4 to 8.

These activities do not just happen. We have had an active Editor collecting the newsletter items together, ably assisted in background by Claire O'Connor who put each issue together and sent it to the printer. The trips have been organised by Philip, and as you can see there was no shortage of events. Philip also organised the Swim escorts, and of course you were all encouraged to attend by the culinary skills of Roger and Wolfgang.

Our safety officer, Erica, organised weekends at Vine House and also recent skills mornings at Okahu Bay where you could all practice wet entries.

The Club was also a major party to the Safety equipment testing that was carried out by the Harbourmaster, Maritime New Zealand, Coastguard and Environment Waikato. This exercise tested all available equipment and rated it for effectiveness under different conditions. The results were then used to formulate the changes to the new bylaws. These are due to come into force on the 1st July 2008 and will include a few changes that we will need to pay attention to. For example beyond 200 metres from

the shore small boat users will be required to wear high visibility clothing, use reflecting tape on paddles and clothing, and at night carry a continuous white light visible for 2 nm. The full details of the Bylaws are on the club website in the Library.

Your merchandising officer, Neil Scott, has a range of items to support your safety, and I am sure he will be only too happy to talk to you after this meeting.

In August a mile stone was reached for Vine House. After many years of work Vine House is now ready for general use and a contract was signed between the ARC and the Club for the continued use of Vine House on a monthly basis. We owe our thanks to Trevor Arthur and his team for securing the asset for the Club.

Our Winter Lecture Series was well attended and I thank Roger for all the work that went on to organise these talks. Roger was also the Club representative on the Okahu Bay User Group, making sure that the City Council was aware of our concerns over the development on the Landing. This is still an on-going issue and the Council are being taken to task over apparent breaches of the Resource Management Act and their Resource Consent. I am still hopeful of a positive outcome and being able to persuade the Council to honour the Concept Plan as published in their District Plan.

The Club storage at Okahu Bay continues to be well used and this has been well managed by Gavin Baker assisted by Roger. During the year we replaced the Eco Niizh with a Crosswind so that our hire fleet is kept up to date. I do remind members that the prime reason we have this fleet is so you can try out different kayaks before purchasing your own. It is not meant to be a long term solution, but one to assist you in choosing your own kayak.

A successful Club is one that grows quietly, supports the needs of its members, and plans for the future. It is the work that goes on behind the scenes that makes everything run so smoothly. Our secretary never ceases to amaze me. Alissa is always super efficient and things just happen. Our treasurer, Gerard, makes sure that the finances are sound and he and Alissa ensure that new members receive the newsletter each month. As president I have been supported by a great team.

I started by saying how successful this year has been, and it is my pleasure to thank each of the committee members for their tireless efforts to make it so. Those that have decided to have a rest from the Committee next year, I give my sincere thanks for all the work that you have contributed to the Club, and those planning to return I give my grateful support.

Please join me in thanking each of the Committee members for making my task so easy.

Club Trips – June 2008

Please phone Wednesday or Thursday to express interest.

Please contact Will on 486 6215 if you are available to take a trip to your favourite destination or one of the following.

Note: Trips will start at the time announced. Ensure you are on time or be left to catch up.

Saturday 24th or Sunday 25th May – Paddle Ponui

Leaving from the Kawakawa Bay boat ramp we'll use the tide to paddle down the preferred side of the island, have lunch at the cosy beach at the end and return with the tide up the other side. A good tide assisted paddle of +/- 30 km

If weather is unfavourable, we'll do a shorter trip or postpone till later.

Phone Philip for details 575 3493

Queens Birthday Weekend May 31st, June 1st & 2nd – Lake Taupo Trip

How about 3 days on Lake Taupo leaving from Kinloch and camping at Waihaha.

From here we can explore other great parts of this beautiful side of the lake or the Waihaha River and fantastic waterfall. The paddle over is worth it just to see the cliffs and waterfalls.

The Waihaha camp ground is on the water's edge with toilets and shelter belts. Cost is around \$5 per person so you will need cash, and this will be winter time so plenty of warm gear required. Camping only, so you need to be self sufficient and a reasonable level of fitness is required, as it is 20 kms to camp, with one stop at the 10km mark.

**Keen to turn up – get in touch with:
Evan Pugh sheepskinsnstuff@extra.co.nz
ph 07 883 6898**

Sunday 8th June – Paddle to Whitford

Starting at Cockle Bay, a very pleasant paddle using the incoming tide to paddle all the way up to Whitford Village for lunch. Return with the ebb tide.

Meet at Cockle Bay at 9.00am for a 9.30 start. A very social paddle through some great scenery and suitable for novices.

Phone Kevin Sargent on 536 6308

Sunday 15 June – Wing Head, Manukau Harbour Entrance

Meet at Cornwallis Wharf at 10.00am for a 10.30 departure. Bring lunch, snacks, walking shoes or sandals and a small pack or bag to carry lunch in. We'll explore the coast from Puponga Point to Whatipu, with the outgoing tidal current in our favour. Then land at Wongawonga Bay and take the track up Wing Head for lunch and a view out over the Manukau Bar. The paddle home will also be tide-assisted. Paddling time about an hour each way, walking time 40 minutes each way. The trip is suitable for all paddlers in calm weather.

The trip is weather-dependent, those coming must **phone Colin Quilter 630 2219** between 7 and 8am on Sunday to confirm that it's on. If the weather is unsuitable we'll postpone the trip until a later date.

Saturday 21 or Sunday 22 June – Rangitoto Island

Circumnavigate (28 km total) or paddle directly to the lighthouse (20km round trip).

Meet at Kohimarama Beach near the boat ramp. For those wanting to circumnavigate the island, we paddle to Gardeners Gap to catch the high tide, then round to Mckenzie Bay for lunch. Those who want a shorter trip paddle to Rangitoto Wharf, then perhaps a walk to the top followed by lunch at Mckenzie Bay. It's about 7 km back to Kohimarama Beach.

**Phone Gerard Fagan 832 9720 Mob 021 0715917
for departure times and details.**

WELCOME & PRESIDENTS REPORT:

See attached.

TRESURERS REPORT:

Club finances remain healthy. Report Attached.

Accepted as a true and accurate record: Gerard Fagan accepted / Peter Sommerhalder seconded.

TRIP REPORT:

Thanks to all the trip leaders who have made this year a success.

Leaders need to demonstrate appropriate safety precautions.

TRAINING:

Presented by Ian Calham on behalf of Erica Law. A variety of training has been available this year including Vine House trips and Children's lessons.

Erica worked with the Coast Guard in safety equipment trials. The results of the trials are on the website.

GEAR & STORAGE:

Presented by Rodger Lomas on behalf of Gavin Baker.

The Beachcomber and the double remain popular. Club boats are for members to trial prior to purchase of their own. The double is good for taking inexperienced paddlers on a trip.

The locker is fully rented. This fully subsidises the storage of club gear.

- Alissa Good thanked Ian Calhaem for the awesome job he does and the incredible energy that he puts into the club.
- New Navigation Bylaws take effect on the 1st of July. Key points for kayakers are:
 - o Buoyancy aids regulations will come into effect for the club in 3 years.
 - o Blue and Purple lights are not allowed
 - o For boats < 6 meters the owners name and contact details required on boat
 - o Rules in relation to the visibility of kayaks 200 meters from the shore:
 - High visibility vests / pfd
 - Reflective strips on boat and paddle (night)
 - 360 degrees white light visible 2 Nautical Miles (night)

Meeting closed at 20:26 hrs

Extending the Life of Spray Skirts

Do not put your neoprene spray skirt out to dry in the sun at lunch time.

It may be nice to have a dry spray skirt to use after lunch, but this action simply allows the salt crystals to dry into the fibres of your spray skirt, accelerating their deterioration.

Implications: If on a multi-day trip, don't let your spray skirt dry out, unless you are able to rinse the salt water off in fresh water first.
